Peterborough City Rowing Club

Founded in 1948 Peterborough City Rowing Club moved to a new facility in 1983. The 1.2km purpose built 5 lane rowing course with river access situated in Thorpe Meadows, is less than one mile from Peterborough City Centre.

Membership has grown from under 100 in 1983 to 250+ today. With membership set to grow to 300+ by 2020 the Club urgently needs to upgrade and improve its existing facilities and undertake an expansion project to meet to growing demand.

Our Appeal

We need to raise £1 million by the end of 2020 to improve and expand ensuring the Club is fit for purpose and remains a vitally important sporting facility for the benefit of the city, region and country both now and in the future.
